- A medical condition
- A physical disability
- A sensory impairment
- Planning and organisation problems when writing by hand
- Poor handwriting which is slow or indecipherable

- At the start of the programme the assessment plan is agreed and signed off by the Lead Internal Verifier.

Appendix 3 BTEC Blended Learning Policy

Aims:

- To ensure that blended learning delivery meets the guidelines set out by the awarding body (Pearson).

Appendix 4 Internal Verification Policy

Title	Name	Responsibilities:
Quality Nominee	Mel Strachan	Ensures that centre internal verification and standardisation processes operate, acts as the centre coordinator and main point of contact for BTEC programmes. The Quality Nominee ensures Pearson quality assurance reports are monitored and any remedial action is carried out.
Lead Internal Verifier	Mel Strachan	Is usually the programme leader in the subject area and monitors and coordinates the internal verification process. Registers details and accesses standardisation exercises to use with the assessment team.
Internal Verifier		Verifies assessor decisions and validates assignments. The Internal Verifier records findings, gives assessor feedback, and oversees remedial action.
Programme lead and assessors	Kelly Jaggard	Ensure that programmes are delivered in accordance with BTEC guidelines, and following the agreed I-V schedule and assessment plan; make each learner aware of his/her registration status.
Exams Officer	Lianne Allen	Point of contact for administration at Eaglewood and responsible for ensuring learners are registered on time and correctly. They liaise with programme teams to check the accuracy of learner registrations; ensure that certificate claims are timely and based solely on internally verified assessment records;

Purpose of the Policy

Internal Verification (IV) is a system of quality checks made in the centre to ensure that assignments have been written correctly and that assessment decisions are accurate. It is essential that the assessment and verification of learners' work is accurate and rigorous. It must be in line with the national standards promoted by the exam board and that assignment briefs are fit for purpose.

This policy will be reviewed annually to ensure ways of working in the centre are accurately reflected. It will be communicated to all relevant centre staff.

The aim of the internal verification policy is: -

- To ensure there is an accredited Lead Internal Verifier (LIV)
- To ensure that Internal Verification is valid and reliable
- To ensure that the Internal Verification procedure is open, fair and free from bias
- To ensure that there is accurate and detailed recording of Internal Verification decisions.

In order to do this, Eaglewood School will: -

- Ensure that the Lead Internal Verifier is appropriately appointed and is registered with Pearson.
- The Lead Internal Verifier will oversee effective Internal Verification systems in subjects where there is a BTEch qualification.
- Train and brief staff in the requirements for current Internal Verification procedures
- Provide Standardised Internal Verification documentation
- Confirm centre assessment instruments as fit for purpose
- Use annual Internal Verification schedule, linked to assessment plans
- Ensure centre programmes conform to national standards. An appropriately structured sample of assessment from all programmes, units, will be internally verified.

- Secure and maintain records of all Internal Verification activity.
- Use the outcomes of Internal Verification to enhance future assessment practice.

IV Schedules

It is the responsibility of a Lead IV to produce an IV schedule for their subject in consultation with the internal verifier.

LIV Registrations

The Quality Nominee (QN) and exams officer will contact staff members from July of each academic year to check for changes and will ask Lead IVs to ensure that they are registered. The QN will check that registrations have been made and will contact the lead IV and department lead if this is not the case.

Staff Briefing / Annual Updating

The lead IVs/Quality Nominee and exams officer will meet regularly at least termly. These meetings are scheduled in the school calendar and will take place at appropriate times of the year. The first meeting is always held in September and the remaining two meetings will take place at appropriate times to offer support support and review annual relevant updates for the following academic year.

Informal meetings can also be arranged between lead IVs/Quality Nominee and exams officer to support each other.

IV of Assignments

Internal verification of assignments must be carried out for each assignment before use to ensure that they are fit for purpose, and that any recommendations are actioned. Each subject is encouraged to use Pearson authorised assignment briefs and to use the Assignment Checking Service ([Pearson Assignment Checking Service](#)). The assignments must still be internally verified.

- The assessors and lead IV will meet to ensure standardisation of procedures.
- The lead IV should discuss the Internal Verification policy with all assessors
- The Internal Verifier should check that the assignment brief:
 - Has accurate unit and programme details, has clear deadlines and an appropriate time frame for assessment
 - has a suitable vocational scenario or context
 - shows all relevant assessment criteria for the unit(s) covered in the assignment
 - indicates relevant assessment criteria targeted against each task
 - clearly states what evidence the learner needs to provide
 - is likely to generate evidence which is appropriate and sufficient
- If an assignment from a previous academic year is being re-used, the verification process must be carried out to ensure that the assignment is still fit for purpose and that deadlines are appropriate.
- The Pearson BTEC internal verification – assignment brief document must be completed and a copy kept within the faculty.
- An assignment MUST be internally verified before being distributed to learners.

IV of Assessment Decisions

The Internal Verifier reviews the Assessor’s judgements against the learning aim, unit content, assessment criteria and assessment guidance as published in the qualification specification. This will include checking:

- the learners’ work against the assessment criteria to judge whether the work has been assessed accurately.
- the assessment criteria. This represents the national standard and all BTEC learners are measured against it

- coverage of the unit content in conjunction with the assessment guidance to see if the Assessor has taken this into account.
- The feedback from Assessor to learner is accurate and linked to the assessment criteria.

Internal verification of assessments must occur before learner work is formally assessed and before learners receive feedback. If errors have been identified in the assessment of learners' work, a larger sample size, must be sampled if appropriate. Any actions must be applied to the whole cohort not just the sampled learners.

Maintenance of IV records

It is the responsibility of the lead IV to securely store internal verification documentation, along with the assessment tracking documents for a minimum of three years after the date of certification. This can include securely on the staff shared drive or securely in a locked filing cabinet. These records must be available to the Quality Nominee and / or standards verifier upon request.

Standards Verification / External Examination Monitoring and Review Standards

Verification

During standards verification, the school applies the following procedure: -

The Quality Nominee will initially take the lead in liaising with Edexcel or the Standards Verifier (SV)

After the initial contact the Lead IV will liaise with the SV but will copy the QN into all e-mail correspondence.

The Standards Verifier will be provided with:

- the required samples of student work assessment records for the student work sampled
- assignment briefs for the units identified
- internal verification records for the assignment briefs
- internal verification records for student work

- Any other documents requested by the SV

The Lead IV will stay in regular contact with the SV to keep them informed of all stages of the process.

If there is an unsuccessful outcome from the 1st sample, there will be a 2nd sample.

The Lead IV/Quality Nominee ensures that the second sample is checked thoroughly and that the advice and guidance given by the Standards Verifier is applied to this sample.

Should there be an unsuccessful outcome after the submission of a second sample, the school will work with their Edexcel Regional Quality Manager, to resolve outstanding issues.

Eaglewood follows the guidance given by the SV and responds accordingly.

External Examination

It is the responsibility of the exams officer in conjunction with the assessment policy to monitor and review external examinations.

Key dates and actions for processes and procedures

- IV schedules should be completed by the lead IV in the summer term before the start of the next academic year. The school acknowledges that this is a plan and may be altered throughout the year. It is the responsibility of the Lead IV to share any changes with the assessors.
- Standardisation must be completed as soon as available so that all assessors are prepared for delivery and assessment of assignments.
- Assignments must be internally verified before delivery to learners. This should either be done in the summer term prior to the start of the next academic year or in the half term before delivery to the students.
- IV documents must be completed for all assignments and must be kept securely either on T-Drive or in a folder that is kept in a secure place. These

must be completed before delivery to students but preferably in the summer term before the start of the next academic year.

- Standardisation of assessments should take place at a mutually convenient time with the lead IV and assessors but in a timely manner to allow for assessment, alterations and feedback to learners. This should occur in line with the IV schedule.
- External examinations – the Exams Officer will inform department leads and Lead IVs of key dates and deadlines accordingly as information is received from the awarding body.
